**WORLD SAFETY  
ORGANIZATION**

## **STRIVING FOR EXCELLENCE**

*in Making Safety a  
Way of Life... Worldwide*

**October 5-7**

**Tuscany Suites & Casino  
Las Vegas, Nevada, USA**

The goals of the annual  
WSO Symposium  
always include  
broadening  
collaboration among  
the various sectors of  
the safety field,  
building professional  
skills and knowledge,  
strengthening  
professionalism within  
the membership,  
broadening networking  
opportunities, and  
raising awareness of  
the value and impact of  
“Making Safety a Way  
of Life...Worldwide.”

You'll connect with leaders, experts, elected officials, and changemakers of today and tomorrow, who are all committed to promoting the continuous advancement of safety and accident prevention technology and striving for a universal level of professionalism and competence among its members and all professionals and practitioners in the multi-discipline of occupational and environmental safety, health and accident prevention.

WSO Symposiums are known for a unique, friendly atmosphere, providing an opportunity for corporate managers and executives, SH&E professionals, advocates of safety and accident prevention, leaders of safety organizations, and WSO members from around the world to network and connect, exchange information, learn about new programs, and gain professional knowledge at a variety of breakout sessions. The WSO Symposium is always the gathering of friends and colleagues, a place to improve performance, and meet new people in the safety field.

Symposium topics generally include, but are not limited to occupational safety and health, environmental safety and health, ergonomics, systems safety management, security, industrial hygiene, hazardous materials management, transportation safety, construction safety, off-the-job safety, recreational safety, safety of the workplace, disaster preparedness, and legislative topics on the national and global scale. CEU's (USA only) will be awarded through the University of Central Missouri in Warrensburg, Missouri, USA (\$25 fee).

#### **WSO Global Safety Roundtable**

What better way to round off Opening Day than to hear powerful stories from your colleagues about their own expeditions at work and in life that have led them or those around them to better health and wellness...where ideas are shared, assumptions are tested, and participants are asked to view a perspective through a different lens.

Suggestions, comments, resolutions, etc., of the Roundtable discussion are formatted for submission

to governmental legislation and Missions of the United Nations (UN), International Labor Organization (ILO), World Health Organization (WHO), and similar rule-making groups on the local, national and international levels.

#### **Awards Banquet**

The WSO Awards Banquet is scheduled on Monday evening, October 5, to honor the individuals, corporations, organizations, and other groups for their concerns in the protection of people, property, resources, and the environment. The banquet is always a highlight of the Symposium, so we hope you will make plans to attend.

Award winners will be recognized, as well as other special honorees including distinguished guests, board members, and committee members. The banquet is included in the registration fee for Symposium attendees, and you may purchase tickets for your guests for \$60 each.\*

A list of all WSO Awards, along with the requirements for each, may be found on our website, or you may request a copy of the Guidelines by contacting the WSO World Management Center by phone or email: +1-660-747-3132, [symposium@worldsafety.org](mailto:symposium@worldsafety.org).
