50SHA
Protecting America's Workforce

Did You Know?

During [Labor Rights Week](#) (Aug. 30-Sep. 3) we emphasize the rights of all workers in the United States, regardless of their immigration status, to a safe and healthful workplace and full payment of wages earned. To reach more workers with information about their rights, OSHA's website can be [translated into Spanish](#), and we have [publications available in 29 languages](#).
