Good Afternoon,

In case you were not already aware, please be advised that OSHA has extended the deadline for submitting written comments on the COVID-19 Emergency Temporary Standard, which became effective June 21, 2021. Comments on any aspect of the ETS, including whether the ETS should be adopted as a permanent standard, must be submitted **by August 20, 2021** in Docket Number OSHA-2020-0004.

For more information about the ETS, please visit [osha.gov/coronavirus/ets](https://www.osha.gov/coronavirus/ets). Please share this with your members and stakeholders as appropriate.

Doug Kalinowski
Directorate of Cooperative and State Programs
