Good Morning,

Please be advised that the U.S. Department of Labor (DOL) is requesting feedback on its Strategic Plan for Fiscal Years 2022-2026. An outline of the plan structure (Strategic Goals and Strategic Objectives) and Priority Learning Areas from the new Evidence-Building Plan are available for review and comment in English and Spanish at the following URL: <https://dol.gov/strategicplan>. The final plan will summarize strategies and identify measures and areas of research to guide development of annual plans and management of DOL programs for the next four years.

We encourage you to review and comment on goals and priorities. Please send any feedback to dolstratplan@dol.gov by **Friday, August 6, 2021**.

Doug Kalinowski
Directorate of Cooperative and State Programs
