Standards/methods must have been adopted and implemented to standard practice in a major system or organization; (d) Significant development in the process of evolving WSO as a true discipline.

III. Nomination Procedures

The awards cycle is from 1 January to 31 December each year. Nominations for a given year are accepted in the WSO by May 15th, following the end of the award cycle. In order to keep things as simple as possible, a single award nomination process is used for all awards. Please read the instructions carefully, and you will find that all the potential situations are covered. A letter format will be accepted as long as all the information is provided in the proper order. It is difficult to provide too much justification for your nomination. The most frequent problem is having insufficient information to judge the validity of the nomination.

III. Nomination Procedures | Continued

The submission must contain the following information in the order shown below:

1. Name of the award for which the nomination is being submitted.
2. Name of the individual, group, committee, organization, or firm being nominated.
